

2021 TEAM OPTION ENTRY FORM

This is a \$2 optional side pot that is paid out to the highest combined (8 fish) limit teams. We will total up the boater and non-boater weights for a combined boat weight. Payout will be based on that weight.

Boater:

Non-Boater

Include this entry form with your regular entry form. The \$25 is PER TEAM, not per person. So just 1 member of the team needs to include this.

BASSMASTER TEAM CHAMPIONSHIP

Oregon Bass Nation qualifies to send one team to the BASSMASTER team championship. This event is held at Lake Eufaula in Alabama Dec 8-9. Expenses and arrangements will be entirely up to the team that goes. This is a separate deal from our optional side pot above. We will tally up the 8 fish limit weights from all teams over our 4 events and determine AOY rankings. Position 1 will have first rights to go, and so on down the list until a team has opted in to take the 1 spot available. More info can be found here:
